

“WORSHIP WITH REJOICING” WORSHIP SERIES

July 14th thru August 25th

This summer we will be following a worship series about worship. It’s important for us to be reminded about what it means for us to gather for worship every week. Some of us have never really been taught about the flow and purpose of worship, while others knew at one time but have become distracted by the routine of it all. So this summer we will be learning or relearning the why of it all together and together we will reach a deeper understanding of why we worship. The themes for each week are listed below:

July 14th – Gathering for Worship

July 21st – Call to Worship

July 28th – Call to Confession

August 4th – The Weight of the Word

August 11th – Prayers of the People

August 18th - Benediction

August 25th – Sent Out to Live
